ULTRA-SLIM 7.2 CHANNEL NETWORK AV RECEIVER WITH BLUETOOTH AND BUILT-IN WI-FI

PANDORA

ca.marantz.com

A thrilling new dimension in surround sound from a high-quality AV receiver occupying minimal space: that's the promise of the NR1607, which features Dolby Atmos immersive surround decoding to deliver breathtaking surround sound from today's advanced movie soundtracks. Slim enough to slip into any TV cabinet, it delivers the same revolutionary Dolby Atmos 3D surround sound found in the very best theaters, creating an overhead surround soundfield to give a dramatic expansion of the sonic space. A future firmware update will also allow the NR1607 to decode DTS:X soundtracks, for ultimate compatibility with this new world of 3D sound. And the NR1607 is ready for Ultra High Definition vision, too: its advanced video section is fully compatible with the latest HDMI 2.0a and HDCP 2.2 specifications on all 8 HDMI inputs, allowing it to pass all the latest video formats to an Ultra HD TV or projector. Wi-Fi and Bluetooth, with dual antennas for robust connection, let you stream your music via AirPlay or Spotify Connect, Pandora, and SiriusXM, or from local network storage drives — all the way through to high resolution audio, and with the famous Marantz sound quality. And it's easy to control, too: the free "Marantz 2016 AVR Remote" app is available from the Apple app store, Google Play, and the Amazon appstore, to let you control the receiver from your smartphone or tablet.

Highlights Your Benefits

- Slim Design 7.2 channel AV Receiver with 50W per channel (8ohms, 20Hz 20kHz with 0.08% T.H.D.)
 Enough power to fill medium size rooms from a small cabinet with renowned Marantz sound
 - Built-in Wi-Fi with 2.4GHz/5GHz dual band support; built-in Bluetooth

 Improved network stability especially in Wi-Fi-crowded homes
- 4K/60 Hz full-rate pass-through, 4:4:4 color resolution, HDR and
 Latest HDMI standard for future-proof compatibility
- 8 HDMI inputs (incl. 1 front) with full HDCP 2.2 support Plenty of inputs for your Blu-ray Player, game console and more
- Dolby Atmos (up to 5.1.2) and DTS:X (via future firmware update)

 Immersive 3D sound with effects from overhead
- AirPlay, Bluetooth, Internet Radio, Spotify Connect, Pandora, SiriusXM,
 Access to almost unlimited online music sources Network Audio Streaming
- DSD (2.8/5.6MHz), FLAC, ALAC, AIFF and WAV support
 High Resolution audio streaming, even gapless
- Audyssey MultEQ, Dynamic Volume and Dynamic EQ
 Delivering perfect equalization for your individual room
- Color-coded speaker terminals, Setup Assistant, Marantz 2016
 Hassle-free installation, setup and operation
 AVR Remote App
- Intelligent ECO mode with off/on/auto setting
 Energy-conscious without compromising on performance

because music matters
