<u>AirPlay®</u>

Addition of new function

• Thank you for purchasing Marantz's product. When operating the product, read this manual together with the User Guide provided with the product.

• Before using this function, you must download the new function (charged) by selecting "Add New Feature" from the menu to upgrade the unit. See the Marantz website for details about upgrade.

Enjoy music from your iTunes library with Marantz quality sound anywhere in your home.

- Use the Apple Remote App* for iPhone, iPod touch and iPad to control iTunes from any room in your home.
- * Available as a free download from the App Store.
- **1** Install iTunes 10, or later, on a Mac or PC that is connected to the same network as your Marantz device.
- **7** Turn your Marantz device ON.
- Z Set "Network Standby" to "ON" for your Marantz device.

NOTE

When "Network Standby" is set to "ON", the unit consumes more standby power.

3 Launch iTunes and click the AirPlay icon displayed in the lower right of the window and select your Marantz device from the list.

4 Choose a song and click play in iTunes. The music will stream to your Marantz device.

You can easily stream music from iTunes to multiple speakers in your home.

① Click the AirPlay icon 🔊 and select "Multiple Speakers" from the list.

(2) Check the speakers you want to use.

[Example] When NA7004 is connected

	Multiple Speakers			
Master Volume	¢	()		
My Computer This Computer	4	a (>)		
Marantz:[NA7004] AirPlay Device	¢	4 »)		

Streaming music stored in iPhone, iPod touch, or iPad directly to the unit

If you update your "iPhone/iPod touch/iPad" to iOS 4.2.1 or later, you can stream music stored in your "iPhone/iPod touch/iPad" directly to your Marantz device.

(1) Tap the AirPlay icon \square .

 Select the speaker you want to use.

Remote operations

You can use your Marantz remote control to play and pause iTunes, as well as skip to next and previous tracks.

Open Preferences in iTunes, and click "Devices".
 Check "Allow iTunes control from remote speakers".
