

Universal Dock for iPod®

The Marantz IS201 iPod docking station allows easy and attractive integration of any docking style iPod to your home audio system. In addition to using your television to display and navigate your iPod's music library, the IS201 also charges your iPod while you listen. Mounted either table top or on a wall, you can integrate the IS201 into your system quickly and easily. IR repeating capabilities means you can also use the IS201 as your infrared receiving eye. Contact your Marantz dealer to find out more on this slick new accessory
