SR7011

9.2 CHANNEL NETWORK AV RECEIVER WITH HEOS MUSIC STREAMING TECHNOLOGY

Experience the top of the line Marantz AV Receiver range with the new SR7011. Surround yourself in thrilling 3D surround sound with the most complete immersive format including Dolby Atmos, DTS:X, and Auro 3D (via paid upgrade). All three codecs are able to drive overhead speakers for a true 3D sound experience. And thanks to the receiver's 9 high quality amplifier stages, each providing 200 W of pure Marantz power and finesse, you can drive a full 5.1.4 home cinema setup without the need of additional external amplifiers. The SR7011 features high grade audio components that have been carefully selected. The whole internal circuit further enhances audio quality by delicately handling all signals via the Marantz-own HDAMs (Hyper Dynamic Amplifier Module) in Current Feedback topology before passing them on to the power stage to fire up the connected speakers. With built-in HEOS technology, the SR7011 becomes a part of the HEOS wireless multi-room music network that enables you to enjoy your favourite music anywhere and everywhere around your home. You can explore, browse, and play music from your own music library, from online streaming music services as for example Spotify, Deezer, Tidal, and from thousands of internet radio stations using the free HEOS app. And additional Bluetooth and AirPlay let you stream music directly from any compatible device.

Highlights

Your Benefits

9.2 channel AV Receiver with 200W per channel	Enough power to fill big rooms with renowned Marantz sound
Dolby Atmos and DTS:X (up to 7.1.4 with an external 2ch amplifier), Auro-3D upgradeable, 11.2ch Pre-Out	Immersive 3D sound with effects from overhead
High performance 192kHz/32bit D/A converters for all channels	Highest resolution for music and movie sound
Audyssey MultEQ XT32, LFC, Sub EQ HT, Dynamic Volume and Dynamic EQ	Delivering the ultimate equalization for your individual room
Built-in WiFi with 2.4GHz/5GHz dual band support; built-in Bluetooth	Improved network stability especially in WiFi-crowded homes
HEOS Wireless Music Streaming Technology with HEOS App	Comfortable control options and almost unlimited music sources
4K/60 Hz full-rate pass-through, 4:4:4 color resolution, HDR and BT.2020	Latest HDMI standard for future-proof compatibility
8 HDMI inputs (incl. 1 front) with full HDCP 2.2 support; 3 HDMI outputs (zone)	Plenty of inputs for your digital devices; different video in different rooms
AirPlay, Bluetooth, Internet Radio, Spotify Connect, TIDAL, Deezer	Access to almost unlimited online music sources
Network Streaming: DSD (2.8/5.6MHz), FLAC, ALAC and WAV support	High Resolution audio streaming for HiFi enthusiasts
Colour-coded speaker terminals, Setup Assistant, Marantz 2016 AVR Remote App	Hassle-free installation, setup and operation
Advanced Multi-Room options; 11.2ch Pre-out; RS232 Control; Crestron Connected	Audio and video in multiple rooms; ready for 3rd Party Home Automation systems
