## PM6004 Integrated Amplifier

The new PM6004 Integrated Amplifier delivers a remarkable combination of power and finesse in stylish package that's as convenient as it is luxurious. The PM6004 offers up all of the detail and harmonic balance that Marantz is famous for, and adds control options that insure easy integration with today's systems. In the spirit of our Reference Series components, a Toroidal transformer anchors an all new power supply that feeds a Current Feedback Amplifier. Five line inputs and two line outputs insure connectivity with all your cherished source components; and there's an all-discrete moving magnet phono stage for your turntable too!
