Product information

PM-15S2 LIMITED EDITION **PREMIUM INTEGRATED STEREO AMPLIFIER**

PM-15S2 Limited Edition is the epitome of extreme quality and is, quite simply, a masterpiece. In both performance and appearance, it stands out in the Premium Range, with exclusive silky-black finishing. As you would expect from such a limited edition amplifier, it includes all the exceptional-quality components and subsystems as its thoroughbred stable mate, the PM-15S2. But in addition, it incorporates improved customized components and the use of a more efficient electrical signal path to elevate sound quality to even more sublime levels. The PM-15S2 Limited Edition represents a true milestone in the history of Marantz. It also represents a rare and precious opportunity to own a genuinely exclusive object of desire.

PREMIUM 15 SERIES

When you first encounter the Premium 15 Series, you will discover a detail of sound in its most delicate of forms. Detail that creates an entire landscape. One that's so real, you can almost reach out and touch it. But it's not just delicate detail you'll discover, the 15 Series deploys power on a tectonic scale. And when you feel that effortless surge of power, combined with the slenderest of detail you will be changed. Forever.

It's an encounter that is set to become more stimulating, more inspiring, and more exclusive than ever. Because this year a special Limited Edition 15 Series is available. These extra-special units are available in black only, and have been enhanced with the latest components and sound reproducing techniques. For people who truly cherish music, this year's 15 Series is a chance in a lifetime to own true magic.
